

K45HGF-5

FIBRE LINE 100 M

COBRAXCUTPRO® · Yellow · 1,1 mm

COBRAXCUTPRO® fibre line for windscreen cut-outs. The abrasive profile gives an efficient, controlled cut, and the line is strong enough to be reused for up to 6-8 cut-outs. Silicone-free and usable with a cordless drill.

RECOMMENDED APPLICATIONS

- Windscreen cut-out
- Cut-out systems
- Cordless drill
- Reusable 6-8 times
