

K45HGF-8

FIBRE LINE 100 M

COBRAXCUTPRO® · White · 0,90 mm

COBRAXCUTPRO® fibre line for windscreen cut-outs. The abrasive profile gives an efficient, controlled cut, and the line is strong enough to be reused for up to 6-8 cut-outs. Silicone-free and usable with a cordless drill.

RECOMMENDED APPLICATIONS

- Windscreen cut-out
- Cut-out systems
- Cordless drill
- Reusable 6-8 times

PRODUCT DETAILS

PROPERTY	VALUE
Length	100 m
Diameter	0,90 mm
Breaking strength	210 daN / 2100 N
Profile	Braided, round
Coating	Uncoated
Material	Silicone-free
Colour	White
EAN	5710199004189

BENEFITS

- ◆ High breaking strength
- ◆ Reusable 6-8 times
- ◆ Silicone-free
